

Acupuncture

By appointment only with Askat Ruzyev, Licensed Acupuncturist

Acupuncture, as complementary and alternative medicine, can be used in conjunction with routine conventional medical care to treat a variety of ailments.

If you are interested in acupuncture, please consult with your DAP clinician for a referral to acupuncture. You must be a patient of the clinic to be eligible for this service.

For questions or to schedule appointments, contact Curtis Howard at (760) 656-8414
